*To be eligible for this class, the animal must qualify in a 100,000-Lb. class. List only placings from the class entered. In no case will the same animal be eligible for the 100,000-Lb. class and the Aged Cow class in the same year.

**Yearling heifers that have freshened and are shown in milk must be entered in the Fall Yearling in Milk class. Animals may qualify for entry in this class on the basis of their placings in a milking class and/or as an unfreshened heifer earlier in the season.

***An individual photo of each of the three animals in the group should be submitted for each Best Three Females Class. Each photo must be taken in 2016 and show the animal in substantially the same stage as when shown.

(AllBreed Access reserves the right to combine classes as the Nominating Committee deems necessary to ensure quality competition.)

Entry Deadline

Entries must be postmarked by **November 8, 2016**. In the case of animals being exhibited at later shows, contact the World office to make arrangements.

Entry Form & Registry Certificate Required

It is the responsibility of the owner/exhibitor to submit a signed, completed entry form for each animal or group in order for it to be considered for All-American Nomination. Entry forms appear in *AllBreed Access* and are available on request from the *World* offices or online at allbreedaccess.com.

A photocopy of the Registry Certificate for the animal being entered must accompany this form.

Photographs

All photos should be submitted as high resolution (300dpi) digital images from the photographer.

Together with a completed entry form, owners must also submit suitable pictures of their animals qualified for entry in the All-American. Pictures must be taken in the current year and show animals in substantially the same stage as when making their show ring appearance.

Procedures

A Nominating Committee will carefully consider photographs of eligible animals for which an entry form has been received. The top six entries in each class are chosen for Nomination. These Nominations are submitted to the All-American Panel for voting. The panel is made up of the judges of leading shows in the United States for the current season and numbers about 25.

The panel members vote separately by mail and indicate in each class their first, second and third choice. Point values are assigned as follows: Each first place vote, 7 points; second place, 3 points; and third place, 1 point. By simple arithmetic, the awards of All-American and Reserve All-American are determined in order of total points. Nominees with 20 points or more are High Honorable Mention and every nominee receiving 16 points or more is given Honorable Mention.

Nomination Fee

Color photographs of all animals nominated in each class will be presented in the January 2017 issue of *AllBreed Access*. Exhibitors who have entries selected for nomination will be required to pay a nomination fee of \$200 per animal nominated.

Upon notification of nomination, exhibitor will be responsible to provide a valid credit card number against which the fee will be charged. Judges will select an alternate nominee in each class, which will be substituted if the fee is not submitted for a nomination.

The nomination fee can be applied as a credit toward an advertisement placed in the January 2017 issues of *AllBreed Access*.

Please submit all entries, Registry Certificate and pictures by **November 8** and email to cmoyer@dairybusiness.com or fax forms to 315-329-6578.
